Conduct Search and Rescues Workbook May 2021; covers SISORSC001					
Discussion topics	Participant's notes: Prior to and after Group discussion.				
Assessment 1	Planning for a Search and Rescue Activity				
Q1 In Scouts what would be some emergency response policies, procedures and documents					
Q2 What are some of the roles and responsibilities that can be allocated to team members and participants to effectively conduct a SAR					
Q3 Label any hazards and risks associated with SAR situations and methods you see in the following two photos					

Q 4 List at least two different types of ground searches and where and when you would use them	
Q 5 Describe different ways you could use a hand line in a search and rescue scenario.	
Q 6 List various methods you could use to support / carry an injured rescuee over varying types of terrain	
Q 7 Describe how you could fashion a makeshift stretcher from material you would have on hand during a bushwalk.	

Conduct Search and Rescues Workbook May 2021; covers SISORSC001 Q 8 What are some scenarios where you would consider seeking help from emergency services? Q 9 What are some communication devices and methods you could use to communicate within your group? Q 10 List four SAR authorities and their specific functions Q 11 How would you contact the above authorities in a real SAR situation? Q 12 See attached Please complete the Scouts NSW incident report at the back of this <u>document</u>

Conduct Search and Rescues Workbook May 2021; covers SISORSC001

Candidate's name:

Assessment 2a			SAR Skills Practical Demonstration
Skill Requirement	Yes	No	Comments
Complete two simulated searches for lost parties using methods suitable for the land or water-based environment			
Complete two simulated rescues using methods and equipment suitable for the circumstance			
During each of the above search and rescue operations, designate roles and responsibilities to team members and participants to effectively conduct operations			
For one of the above search or rescue operations, seek outside assistance from search or rescue authorities			
For each search and rescue operation, participate in a debrief and complete an incident report.			
Identify hazards and risks associated with search and rescue situations and methods uses to manage these			

Candidate's name:	
Assessment 2b	OAS Bushcraft / Survival skills

The following requirements are not part of the VET module but are OAS skills for the Scout award scheme

Skill Requirement	Yes	No	Comments
OAS 3 I can make a personal shelter out of plastic sheeting, rope and other things I have found.			
OAS 4 I can signal for help from the ground where the help will come from the air.			
OAS 5 I have refreshed my survival shelter skills and assist in the planning of a survival style camp for a minimum of one night focusing on the basic survival skills.			
OAS 7 I have assisted in a search and rescue drill OAS 7 I can send and receive a HELP or mayday message from another person or party			
OAS 8 I know how to set up and lead a ground search exercise for a missing person using a hasty search and a grid search, all in an area of a minimum of 2 square kilometres in size.			
OAS 9 I have led a team on an evacuation simulation exercise of a victim being carried on an improvised stretcher for a minimum of 1 kilometre

FORM HS-5 MAR 2016

INCIDENT/ACCIDENT/NEAR MISS REPORT FORM

This form needs to be completed using **ADOBE Reader** for all types of incidents/accidents/near misses which may need to be notified to Workcover NSW and/or require compensation under our personal accident insurance policy. Before completing the form, please check that the default pdf reader on your internet browser is **ADOBE Reader**. The boxes on the form below will be outlined in **RED** if the default pdf reader is **ADOBE Reader**. A fix for users of Chrome Internet Browser is found in the "Meet the new HS-5 form" document on the Scouts NSW website. Please do not print the form and scan it or fax it. Please email the completed form as a web form and not saved in another format. Please complete every red box with a response or the form will not save and submit.

As a rule of thumb, if medical treatment, dentistry, ambulance travel or hospitalization is required, this form must be completed and emailed/lodged at the State, Region & Group Offices within 48 hours of the incident where reasonably practicable. To alert a Hazard or Dangerous Occurrence use the HS-5.1 Hazard Report Form. Child Protection Concerns, Sexual Harassment, the Death of a Person, Serious Incidents, Dangerous Incidents and Assaults must be reported immediately by phone directly to the State Office on 02-9735-9000.

Notifiable Incidents and Preservation of the Incident Site: A "notifiable incident" is outlined in the WHS Act (2011) as being:

- the death of a person
- a 'serious injury or illness', or
- a 'dangerous incident'
- arising out of work carried out by a business or undertaking or a workplace.

'Notifiable incidents' may relate to any person – whether an employee, contractor or member of the public. Only the most serious safety incidents are intended to be notifiable, and they trigger requirements to preserve the incident site pending further direction from the regulator. Only work-related incidents are notifiable. Most Volunteer Scouting Activities are classified as Recreational Activity and are not Work. Scouting Activities that may be considered as work are Working Bees, Adult Leader Training Courses or SIS-10 Training, Performing Arts and Activities undertaken at Activities Centres with employed staff leading the activity.

Sometimes incidents occur at a workplace (or in the vicinity of a workplace) that do not arise out of work, or the way work is carried out or the workplace itself. These kinds of incidents that are unrelated to work or a workplace are not notifiable. For example:

- a worker or another person suffers a heart attack while at work which is unrelated to work or the workplace
- · a Youth Member or Leader is injured while on a Scouting activity and requires immediate medical treatment (this is not work)
- a person driving to work is injured in a car accident (where driving is not part of their work)
- a person with a known history of epilepsy has a seizure at work.

INJURED PERSON'S PARTICULARS

Formation/Group	
Region	
Name of person involved	
Position/Appointment	Membership No
Address	
Email Address ———————————————————————————————————	
Telephone No	Date of Birth:

information on incidents requiring notification to Workcover via the Scouts NSW State Office. 1. Was the person injured? Yes 2. Was this incident notified by phone? Yes 3.
