

CAN YOU WIN THE SKIN?

Bearskin is a lightweight self-catered competition camp. Bases are being run by Scouts for patrols of Venturers and Rovers. The Venturers / Rovers need to carry all their needs for the weekend in their packs to their camp-site (via a weigh-in station) on arrival.

Rovers, Venturers, Scouts and Guides - \$40.00

Leaders and Adult Helpers (With A2) - \$30.00

They should be aiming for no more than 20% of their body weight in their packs.(averaged over the patrol) They will be packing up each day, and carrying gear all weekend to all bases and camp. Scouts need to utilise the Patrol System to the best of their ability and remember their Scout Law at all times. Sun Safe is a must - this means collared shirts and broad brim hats (not caps), no exceptions. If Scouts do not have collared shirts and hats they will miss out on activities which will disrupt the smooth running of their Patrols.

26th—27th August
