DEFENSIVE DRIVER TRAINING COURSE

We would like to offer the following for all licenced scouting members including Red and Green P plate licenses and Adult Helpers and Group Committee Members;

A one-day course will be held at Nirimba TAFE in Quakers Hill on Sunday the 19th of March 2023 commencing at 8:30am and finishing around 4:00pm. Please arrive by 8:00am.

The Total cost will be \$270 per person which includes a sausage sizzle lunch and light refreshments as well as bottled water provided throughout the day. (Please advise if you have any special dietary needs).

Knowing how to stay safe while driving on our roads takes more than your basic driving skills. Without defensive driver training, it is likely that even if you are a good driver, you could be involved in a crash that has been instigated by another road user.

The focus by our facilitator is on your driving development, no matter what your skill level is currently. They will work with you in a professional manner to ensure you get the most out of your time with us. ***The Trainers Spend Time Improving Your Defensive Driving Skills***
