

E-Learning requirements for Trained Participant Core qualifications

A Trained Participant is a member who holds all the Safe Participant requirements and has advanced through to the next level completing core units (VET or Scouting Skills) and having logged additional experience in more than one environment. e.g. different locations, weather conditions, or ages of participants. Sometimes referred to as “TP”.

- In some activity areas they can lead an activity (in conjunction with Duty of Care) e.g. Water, Bushwalking.
- In other areas e.g., in Verticals they assist Guides as part of the operational team.

Training pathway:

Trained Participant can be an internal level of qualification recognised to operate, depending on the activity area.

- Trained Participant skills can contribute towards a Certificate II (SIS20419), For a VET Accredited Outcome - via SAIT (Scouts Australia Institute of Training) - Enrolment via Branch.

Who can complete it:

Youth and Adult members

- Internal Qualifications (Scouting Skills) - For Trained Participant qualifications the minimum entry is at Scout level noting that there are minimum age for VET outcomes
- VET - Accredited Qualifications - The minimum age for enrolling into SAIT is 14 Year of age.

Trained Participant Core is the scout’s internal qualification for Core Skills modules that are common and shared with all other qualifications.

Pre-requisites for Trained Participant core:

Online modules

Units required for Trained Participant Core are the following:

- WHS for Scouting
- Work Skills for Recreation
- Assisting in Conducting Outdoor Recreation Sessions
- Follow Environmental Impact Practices
- Camping Skills

Start your journey today

Whether you are a brand new Leader, a youth member, or a former Leader coming back into the movement, Scouts NSW can provide you with the training required to provide adventurous, fun, challenging, and inclusive programs for all our members.

Training in your Leadership role consists of a mixture of On The Job Forms, On Demand Modules and Practical Training. Youth members can also access the online training and participate in some training courses, especially in the activity areas.

All of our courses are closely aligned to industry qualification in Business and Outdoor Recreation and Outdoor Leadership.
