

Rat Skin 2017

Rat Skin is a **competition camp** planned, organised and run by Venturers for adults involved in Scouting – Dragon Skin in reverse.

- When?** 23rd and 24th September 2017
Where? Canobolas Scout Camp, Lake Canobolas Rd, Nashdale
Who? All Leaders/Adults involved in Scouting who are willing to be challenged by Venturers participating in initiative and fun bases. (4-7 in a team)
Cost? \$15
Bring? Participants should come fully self-sufficient for the weekend – tents, food, cooking gear and water. Participants need only carry a daypack each day, with camping gear to be kept at base camp. Leaders and Venturers camp in different areas, so organise accordingly.

This year, as a service exercise, all Venturers are asked if they could bring along a Little Golden Book (or any child's book) to be donated to a book charity. Competition time – Prize to the Unit who donate the most books!!

Each base that the Leader teams visit will present a scenario to deal with. Like Dragon Skin, teams will be marked on how well they deal with each situation. Teamwork and initiative will be important, as is having fun and creativity!

Also like Dragon Skin, Rat Skin has a theme, and all participants are encouraged to dress and camp accordingly. This year's theme is

Childhood Favourites – The Little Golden Book Years

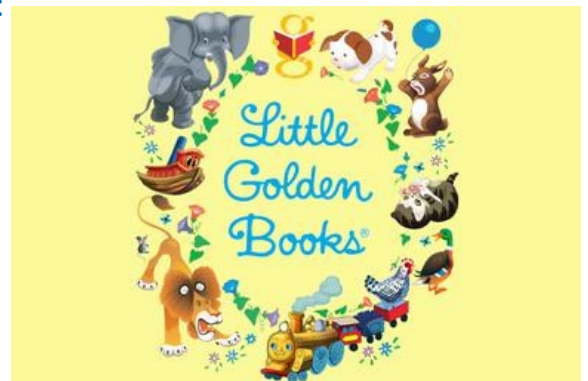

All Venturer applications need to come with two base applications (Page 2 and 3 of this document), one for each day! Please be specific on what your base needs to run effectively. And try giving the base a run through at Venturers one night before the event, so you know that the base will work!

Please refer to the Rat Skin Requirements Rundown for the finer details.
